

8th Outdoor Origami Meeting

Poręba near Cracow, Poland
2009.05.01-03

Workshop registration form

We encourage you to give workshop on our convention and show your favorite models or share your experience. You can teach a model (designed by you or somebody else) or give a lecture about origami techniques, theory of origami, your experience with origami in education. To make life easier give us some details about your workshop.

Name:

Title of workshop

Models you will teach or other description of your workshop

(model name, creator name, difficulty level, source of diagram – link to web page or author and title and page number of a book/magazine)

Time for the workshop

45 minutes - half block

1 hour and 45 minutes (105 minutes) – full block

Preferred time: (put date and time of arrival and departure, preference for morning / afternoon, etc.):

Other information about workshop

Prepare a model you will teach for model menu.

You should prepare a paper for the participants of a workshop. We will cover a (reasonable) cost of materials. If you have a problem with transportation or luggage limit, contact us to make another arrangement.
